Republic of Maharlika
Province of Salimbayan
CITY OF DALUMAT

TEN-YEAR SOLID WASTE MANAGEMENT PLAN 2020 TO 2029

Updated 2025. Prepared under Section 16 of the Solid Waste Act. Extract.

1. PROFILE. The City of Dalumat, Province of Salimbayan, has twelve barangays. The barangays covered by this extract are Ilaya Kanluran, Bakawan Dulo and Tulay-Bato. The City Mayor is Hon. Ofelia S. Cabuhat. The City Environment and Natural Resources Officer is Ma. Teresa Q. Salvador.

2. FACILITIES. Each barangay operates a Materials Recovery Facility (MRF) under Section 32 of the Solid Waste Act: the Ilaya Kanluran Barangay MRF, the Bakawan Dulo Barangay MRF and the Tulay-Bato Barangay MRF. The City owns and operates the Dalumat Sanitary Landfill in Barangay Ilaya Kanluran, which also accepts residual waste from the Municipality of San Eladio by agreement.

3. COLLECTION. Hauling of residual waste is contracted to Mabansay Waste Haulers, which supplies two (2) trucks.

4. TARGETS. Waste diversion of 45 percent of total waste generated by 2030, up from 31 percent in 2025.
