Republic of the Philippines
Province of Salimbayan
MUNICIPALITY OF TUMANAW

TEN-YEAR SOLID WASTE MANAGEMENT PLAN 2020 TO 2029

Updated 2025. Prepared under Section 16 of RA 9003. Extract.

1. PROFILE. The Municipality of Tumanaw, Province of Salimbayan, has eleven barangays. The barangays covered by this extract are Punta Silangan, Hilagang Ilog and Ugong Bayan. The Local Chief Executive is Hon. Anselmo G. Verano. The Municipal Environment and Natural Resources Officer is Engr. Danilo A. Salvador.

2. FACILITIES. Each barangay operates a Materials Recovery Facility (MRF) under Section 32 of RA 9003: the Punta Silangan Barangay MRF, the Hilagang Ilog Barangay MRF and the Ugong Bayan Barangay MRF. Waste is staged at the Tumanaw Transfer Station. Residual waste is disposed at the Tumanaw Open Dumpsite in Barangay Ugong Bayan. This plan commits the municipality to close and rehabilitate the dumpsite and to haul residual waste to a sanitary landfill by 2027.

SYNTHETIC: BARGHEST demo data. Fictional.

3. COLLECTION. Collection and hauling of residual waste in the Municipality of Tumanaw is contracted to Mabansag Hauling Svcs., Inc., which supplies four (4) trucks. Trips are monitored at the Tumanaw Transfer Station.

4. TARGETS. Waste diversion of 30 percent of total waste generated by 2030, up from 18 percent in 2025. All barangays submit quarterly MRF reports to the Municipal Environment and Natural Resources Officer.
